INNOVATE STATE SPEAKER SERIES

6 - 8 PM
300 Room

MSU Innovation Center
325 E Grand River Ave #300
East Lansing, Michigan 48823

Christen Rochon
Sept. 23
She is known as an influencer, public speaker, media personality and entrepreneur. She is the Digital Lifestyle maven behind Divasanddorks.com, the first technology lifestyle community for multicultural audiences across the globe. Although she resides in NYC, her roots are in Detroit, MI.

Marc Hudson
Jan. 19
As a graduate from Michigan State University, Marc has aimed to be innovative and successful in the business world. He is currently the Co-Founder and CEO of Rocket Fiber, an outstanding web professional, and also a knowledgeable web developer.

Henry Balanon
Oct. 13
He received a B.S. in Computer Science and a Distinguished Alumni Grand Award from Michigan State University. He lives in Metro Detroit and is the Co-Founder and Chief Technology Officer of Stratos Inc.

Jeremy Lindlbauer
Apr. 12
He is the son of a Nobel Prize winning professor and a graduate of Michigan State University with a B.S. in Environmental Policy & Economics. He is currently the founder and president of Benchmark Intelligence in Detroit, Michigan.

Nathan Bashaw
Nov. 17
NYC-based entrepreneur, MSU alumni, programmer, and writer. He co-created Product Hunt, a product discovery website that now drives 3m+ visits to new products every month, and Dash, an online book that teaches you how to code websites from scratch, used by over 270k people.

Megan Gebhart
Mar. 24
She is the current Technical Recruiting Coordinator at Airbnb, is a published author and she previously assisted with the development of The Hatch. She graduated from Michigan State University in 2011 with a degree in Marketing, and now resides in the San Francisco area.

Eric Jorgenson
Dec. 8
Graduate of MSU’s Broad College of Business, where he studied Economics and General Management. Today he is the Marketplace Manager for Zaarly, Inc., a start-up that launched nationwide twice, and is on its third try.

Graduate of Michigan State University’s Broad College of Business, where he studied Accounting and Supply Chain Management. He is now the Co-Founder and Director of Brand & Marketing of TurtleCell, which aims to deliver durable cell phone cases.
