about the Hive

The Hive is a 3,800 s.f. dynamic "idea laboratory" located at C108 Wilson Hall. The space is equipped with the state of the art technology and a layout to encourage team building and idea development. The space is both a formal teaching platform for specialized university coursework and a co-working facility for students to further develop new innovations and entrepreneurial concepts.

how to join

the Hive is open to students in a variety of ways

1. bring an idea.
   Want to change the world? The Hive is open to students that are dreaming big and want to move their ideas from concept to reality. Visit the website and submit your application. We will arrange a time to meet with you to get your milestones set and get you moving.

2. join a class.
   Want credit and access? Check out the website for a complete list of courses utilizing the Hive each semester.

3. join a club.
   Want to meet other amazing students? The Hive is home to a variety of interesting student organizations doing big things. Check out the website for an updated list and info on how to join.
